ANNUAL GENERAL MEETING

29th July, 1979.

SECRETARY'S REPORT

Dear Friends,

It gives me great pleasure to present to you the Seventh Annual Report of the Society's activities for the year, 1978/79.

COUNCIL MEMBERSHIP AND MEETINGS

In Febraury 1979, Dr. A. Baily was forced to resign from the council, due to heavy personal commitments.

MEMBERSHIP OF THE SOCIETY

The total numbers of financial members stands at approximately 69. The society welcomed new members during 1978/79.

SOCIAL EVENTS 1978/79

1. The year was opened by a grand function held in the University Centre Theatre on 2nd December, 1978. Artists were invited from Sydney to perform Indian dances, before an audience of approximately 400 people. These were tremendously successful. The resulting funds of \$1,600 after expenses, was donated to India via the Indian High Commission in Canberra, to help alleviate the suffering of flood vicitims of the 1978 Indian floods.

2. A barbecue and a sightseeing trip was organized and held for the Society's membership on 27th January, 1979. A coach was hired from Society's funds. Food brought by the attending members cooked, shared and enjoyed by all at a lovely beach on Bruny Island.

3. A quite and friendly dinner was held for an Indian Parliamentary delegation at the Italian Club on 14th January, 1979. A relaxed atmosphere prevailed, making it a very pleasant evening for hosts and quests alike.

4. The Government of Tasmania once again, held a cocktail party for the members to celebrate Indian Republic Day. The function was held on 5th February, 1979.

5. An Indian style barbecue was held on the afternoon of 24th March, 1979, at Sherwood Lodge. This was attended by members and friends. Delicately spiced meats, combined with beautiful surroundings chosen for the event, would probably be rated by many, as one of the best functions of the year.

6. The last function of the year - the annual function was held on the 23rd June, 1979. Approximately 120 people (members and friends) enjoyed a sumptuous dinner. The dinner was accompanied by cultural performances. This year, local talent was used instead of professionals. Response from members to make this function a success was appreciated.

Other Events

1. The annual raffle winner - Mrs of John Edis Hospital, won a return trip for two to Melbourne, with seven days accommodation - compliments of Webster Travel.

2. The Society organised a food stall at the "March for Millions" Food Fair, held in April, 1979. The savouries and sweets turned out to be very popular and were sold in no time. A donation of \$50, was forwarded to the "March for Millions" Festival Committee.

3. An offer of \$1,000.00 by the Ministry of Ethnic Affairs, has not been able to be utilized, or accepted due to the lack of interest by the Government in finding us alternative accommodation, due to the Hobart City Council's objections re Tagari House. This matter has been relentlessly pursued by the council during the past year.

4. A grant of \$107.40 was received by the Society, from the Indian High Commission, to further culture.

Dr. S. Sachdev,
Hon. Secretary.

INDIAN CULTURAL SOCIETY OF AUSTRALIA

(TASMANIA)

ANNUAL GENERAL MEETING

SECRETARY'S REPORT

Dear Friends,

It gives me great pleasure to present to you the eighth Annual Report of the Society's activities for 1979 - 1980.

COUNCIL MEETINGS

The Council met six times to dispose of the Society's business.

MEMBERSHIP OF THE SOCIETY

As at 30th June, 1980 the total financial membership stood at 79 which is the highest ever recorded.

SOCIAL EVENTS

1. The major public function of the year was the classical dance performance by Mrs. Pushpa Bhuyan, Miss Vanita Bhuyan from India and Sheila Gawthorne from Melbourne in the auditorium of the T.C.A.E. at Mt. Nelson. The function was a great success. It was made possible by a generous grant of \$495.00 by the Tasmanian Government.
2. A fun sports day was held on Saturday, 22nd September in the Rosny College Gymnasium. The activities commenced at 2.30 p.m. with the badminton and table tennis tournaments followed by tea and savoury dishes. This was followed by the screening of Indian films.
3. Following the success of the earlier sports day another one was held on Saturday, 24th November, 1979 in the Rosny College Gymnasium. It again proved to be very successful.
4. A barbecue was held in the Tolosa Street Reservoir Reserve on Sunday, 3rd February, 1980, at no cost to the members. It was well attended despite bad weather.
5. The Government of Tasmania once again, held a cocktail party for the members to celebrate Indian Republic Day on Monday, 11th February, 1980.
6. Our last function for the year was screening of Indian films on our recently purchased video-cassette system on Sunday, 13th July at the clinical school auditorium.

VIDEO-CASSETTE & T.V.

As a result of a successful representation to the Minister For Ethnic Affairs, Hon. B.K. Miller, the Society was fortunate in receiving a Government grant of \$645 on dollar for dollar basis towards the purchase of a video-cassette equipment. We have already purchased 6 cassettes consisting of two Hindi feature-films and four one hour programmes. This exciting development represents potential for hours of entertainment for our members.

GRANT FROM INDIAN HIGH COMMISSION

A grant of \$107.40 was received by the Society from the Indian High Commission to foster Indian culture. This money was used towards the cost of buying the video-cassette recorder.

SOCIETY'S CENTRE

In October, 1979 the Government informally offered us a building at 63 Goulbourne street, Hobart in conjunction with the Overseas Students Association. The estimated high cost of renovation appears to have jeopardised this new initiative.

The need for our centre has become more urgent in order to get the maximum benefit of our recently purchased video-cassette equipment.

Minutes of the last council meeting

Various correspondence were discussed.
The Attorney General sought the Society
view on eligibility of voting rights for migrants.

requirement before migrants become
eligible to vote. A reply be sent through
the President.

Numerical Migrant Assessment System
was discussed and a full participation
was decided upon. Members of the

to be the Society's representative
at the Asemas forum to be held
on 30th April at the Westside Motor Inn.

Applications for membership were received from Desibhi & Maharaj. The Council approved both as family members of the Society. Acceptance ^{of membership} was moved by Mr Singal and seconded by Mr Hardakar in both instances.

Dr. Sindhur reported on the success of the barbeque held at the Tolara Park on 8th of March. The number present was just sufficient to be handled conveniently. It showed a profit of approx \$210-30. The income was \$346-00 and Expenditure \$135-70.

The committee felt that Mrs George & Rao and ladies of their committee should be congratulated for making yet another function of ours a success.

Dr. Sindhur also reported on members dinner which was held on 6th of December 1980 which was also a success but a financial loss of \$2-87. Here the income was \$86-35 and expenditure \$83-48. If we had shown a film as planned there may have been a profit.

Mrs George reported that she had booked Rasmy College for Sports Afternoon on 2nd May next.

The Council approved a further \$30 petty expenses for Mr Hardakar's news letters, news Sigal / Pathik.

Mr Singal and Mr Singal reported on their meeting with Mr. Avakian, re Multicultural and Migrant Education. Mr Hardakar was asked to send out a Questionnaire re teaching of Hindi to all members.

It was also agreed that the Fijian Association be contacted to obtain answer to the questionnaire.

The Society ~~showed~~^{showed} interest in organising Cultural Awareness course on India and the ~~secretary~~ Secretary was asked to obtain the information as to what is involved and the possibility of having one in 1982. Also to ask the Indian High Commissioner to participate.

The President reported on the Numas forum that he attended on behalf of the Society which went extremely well. He reported that the many points which the Society emphasised came up quite strongly. ~~Suggestion~~ Suggestion of Quola System was mentioned - Quola system which would be non discriminatory. Family reunion extended beyond brothers and sisters.

Mr Singal moved that the Society's submission

to Numa from be incorporated in the minutes. recorded still.

The Treasurer reported that BBR account profit was \$200-30 and not \$230-30 as reported in the last meeting.

The President reported that the Sports afternoon ^{held} on May 2nd was again a success. There were not as many people but their needs were adequately provided. He suggested that this should continue on regular basis and perhaps on monthly basis. Next sports meeting must provide for the pingpong table and trampoline.

The council approved the payment of \$6-11 to Mrs George for her expense in arranging the afternoon tea at the Sports meeting.

Mr Sigal was concerned with the poor response to our cassette movies although the screening on 26th April was quite successful. He said that if this is poorly subscribed then this expense should be eliminated. Other members did not have the same feeling and believed that the attendance will improve as time goes on and also this usage of video recorder should not be exclusively be used for film movies. There could also be other cultural programmes that could, if obtained, be screened.

There was a suggestion to approach certain interested viewers with the idea of getting attendances - these viewers may be from Fijian Assoc. and student groups.

Mr Hardaker accepted the invitation to attend the wine & cheese

evening organised by the Centre for
Environment Studies

66

The Council felt that the Society
should participate in the Xmas
pageant being organised by the Hobart
City Council. This should be referred
to the next Council (1981-1982).

Cultural Programme.

It was felt that 'Shantala' on her
own could not make the evening
with any flowing continuity and there
was need for more than one Artist.
This is only being fair to performers but
also to the paying public and the Society.
It was agreed to ^{further} look into the possibilities
of obtaining the visiting artists.

Application by Mr Kishore Dongre and his family
for membership was approved.

MINUTES OF THE COUNCIL MEETING
HELD ON 7th JUNE 1981 AT THE

PATHIK & NAQVI Apologies from Messrs Rao & Gorge.

Minutes of the last council meeting
was read and accepted HARDAKER/Singal.

Mr Naqvi pointed out that the council
agreed to write a letter to the Minister
for Ethnic Affairs for the purpose of a
grant to help the society to purchase
costume books promoting cultural
programmes was omitted from the minutes.
It was agreed to include this in the next
minutes and Mr Singal & Mr Hardaker
were asked to work out the estimates.

It was agreed that the Sports
afternoons should be continued and
Mr Gorge be asked to arrange ~~and~~ a
possible date to book the Raring
Centre. Mr Islam Naqvi pointed
out the need for the First Aid Kit
must be made available on each of such
afternoons. Dr. Sindhu undertook to
organise this.

The council discussed the staging
of the Indian Dance Troupe, scheduled
to visit Victoria during July. The
Secretary was asked to write
to the ^{Indian Cultural Society} ~~Victoria~~ Australia (Vic) to
establish ^{if Tasmania could be included in} the troupe's ~~itinerary~~ itinerary
its charges if the society wishes to have
them and the date for booking it. Dr
Sindhu undertook to ring Mr Joshi
in Melbourne to avoid delays.

Fiji Australia ~~Association's~~ letter

re use of the video cassette recorder was discussed and the Society agreed ^{in principle} to allow the said Association ^{the} use of the cassette recorder under adequate supervision and only at the Migrant Resource Centre.

It was also agreed that, since the Society and the Fiji Association seem to be having similar aims in a number of fields, ~~that~~ Society should make the move to invite the Fiji Association to work out a common front to avoid costs in duplicating expense in achieving our common aims. It was agreed that a invitation be sent out to this effect for our next council meeting to be held on 5th July next.

x It was agreed that the Society will not exchange video cassette tapes with private members.

The Council discussed the possibilities of having a centre of its own as it was becoming apparent that no satisfactory accommodation can be provided by the Govt with whom the Society has been negotiating for a number of years. The funds for such a centre could be raised by obtaining a grant from the Govt, our members giving interest free loan to the Society and the Society raising funds from the public. Or joining forces with another small society like ours on share basis ~~or~~ jointly with that society. The Council members were asked to find out what is available in the way of premises or sites and also to give further thought to the matter. Mr Hardaker was asked to

include ⁱⁿ the circular to be sent out to the members about this centre just as a mention to generate thoughts on the matter. The ^{council} members were also asked to talk about it to the members.

minutes of the last council meeting was read and accepted.
Matters arising out of the ^{SINGAL/HARDAKER} minutes were discussed.

Mr. Singal Reported that the ^{Immigration} Minister for Ethnic Affairs made a grant of \$1000 in response to the financial assistance the society needed for the purchase of books for the society's library, national costumes, video equipment and also to defray the expenses of buying Indian artistes to Hobart.

Mr. Hjal was also of the opinion that if at all possible the Society should raise its own funds for it is not easy obtain money from the minister. A number of other societies raise a lot of their own funds. He also emphasised that this grant should be used for the purposes they have been allocated and we can't show large profits. Mr. Hjal also received a request from an interested person to ~~stage~~^{have} the dance performed in Launceston. The council felt that the time will not permit to have a performance on this occasion but it could be considered for the future performances.

Sports afternoon had to be cancelled due to a mix up in booking at the Rosny College. The council felt that the sports afternoon should be continued on a regular basis and should be recommended to the incoming council. Mr. Hardaker undertook to book the college for 25th July - 2.30 - 6pm.

Dance - Mr. Hindhu reported that the dance troupe has been reduced to just mother and daughter who will dance to the recorded music. They were booked to come to Tasmania on the 8th August. The T.C.A.E. theatre was tentatively booked for 8th August. The cost of the artists will be \$200 plus of the fare and accommodation. T.C.A.E. theatre \$50 for the lower section plus \$20 if the top part is also required. Also there is a charge

by the caretaker of \$12 per hour.

The council agreed with arrangements agreed to change admissions as follows.

Adults \$4 per head

Unaccompanied children \$3

Seating children \$2.

The programme to commence at 7.45 pm and to finish 10.15 pm with 30 min interval bet 8.45 and 9.15 pm.

The publicity should be undertaken by means of posters 72L, 740 & Television.

Dr. Sindhu undertook to arrange for seating plan and have tickets printed.

In the correspondence a letter from Fiji Australia Assoc. was received but very lightly looked at & to be discussed with Fiji Australia Assoc. members on the 5th of July. The said Association hopes to screen the films on the 2nd Sunday in each month and had the films at this stage. ~~They~~ It also referred to an undertaking given by our man Sigal which Mr Sigal refuted.

High Commissioners Visit - Mr. Hall was advised by the High Commission staff of the intended visit of the High Commissioner to Tas and as the past High Commissioners have been met by the Society the opportunity was again availed to us. The consensus of the opinion amongst the members ^{and the society} was to have a dinner at a restaurant.

The Council agreed to have this dinner at the Bay Inn at \$15 p.h. on 13th July. This was after having discussed the various other venues including one to cook oven. Interested members were to be notified by members of the Council of the final arrangements. Mr Hardaker felt the invitation be extended to ~~non~~ Indian ^{non-}members of the Society because the High Commission should not be treated as the sole property of the Society.

The time agreed for the dinner was 7.30 for 8.15.

Next meeting to be held on 5th of July, 1981.

The Committee met on 5th of July agreed to incorporate the proceedings of this meeting into the last Committee meeting.

The Treasurer presented his financial report as at 30/6/81

Mr. Sygal suggested that the Council must now consider incorporating the Society with the Corporate Affairs Office and it was decided to leave this for the next Council.

A letter from the Fiji Australia Association was discussed where the Society agreed to allow that Assoc. to use our ^{Video} cassette for the time being without "adequate" supervision provided that Fiji Assoc. pays half ^{the} costs of insurance & services charges, if any and it be handled by ~~the~~ a competent operator.

A letter from the Indian High Commission was received - from the Society of the Teaching of Hindi by correspondence. The council decided to - for the members of this.

A letter from the chairman of the "March for the Millions" was received and it was agreed to bring it to the attention of the next Council.

High Commissioners Dinner -

to be held at the Bay Inn on Monday 13th July next - \$15 per head - 4 course meal + wine included. Pre dinner drinks of sherry to be supplied by Council.

The Council decided to give the High Commissioner Mr K.D. Sharma a set of 4 iron pine candle stick holders as a memento of his visit to Tasmania and our Society. A sum of \$70 was approved for the pre dinner drinks and the other.

Mr Hardaker reported that the dance tickets were ready and can go on sale.

Meeting with the ^{Committee} Fiji Australia Association was arranged and its ~~representative~~ representative Mr Ronald Reminton turned up. This was the first meeting and results could not be expected until ~~further~~ ^{practical} ~~involvements~~ are undertaken forthly.

It was suggested that if the Fiji ~~Assoc.~~ Australia Assoc. wished they could join forces with the Soc. and work towards obtaining a Centre for housing both the Societies. They were also invited to join our next Sports afternoon.

INDIAN CULTURAL SOCIETY OF AUSTRALIA (TASMANIA)

ANNUAL GENERAL MEETING - 19th. JULY 81

HONORARY SECRETARY'S ANNUAL REPORT

Dear Members,

It gives me great pleasure to present to you the ninth Annual Report of the Society's Activities for the year 1980-81.

COUNCIL MEETINGS

The Council met on ten occasions this year to keep the Society as active as it was possible.

MEMBERSHIP OF THE SOCIETY

The Society had 82 financial members as at 31.6.81 as opposed to 79 last year which was a record number ever recorded in the Society's history. Your Council was faced to raise the membership subscription from \$10 family and \$7 single to \$15 family and \$10 single respectively due to rising costs of running the Society in recent times.

ACTIVITIES

Your Council had a very busy year hence the unusually high number of Council meetings.

The first function for the year was a film screening with our newly acquired video system on 17th. August last. Except for a couple months break during the Christmas season we screened films regularly on the last Sunday of each month. The Society acquired six more feature movies including one in Telugu another in Malayam to cater for non-Hindi speaking audiences. These screenings are at the Migrant Resource Centre.

We also had several sports afternoons at the Rosny College. As these afternoons concluded with afternoon tea with cakes and savouries provided by the members, they also provided an excellent casual social atmosphere for both adults and children alike.

The Society held its annual social gathering at the Italian Club on 6th. December 1980 where members provided the menu for the evening. It was a very successful evening. Our guest included (six - 2 families) Vietnamese refugees.

Once again the Minister for Ethnic Affairs recognised India and the Indian Republic Day by organising a cocktail Party on 11th. of February to which he invited a number of the members from the Society.

Our annual Barbeque was held at the Tolosa Park on 8th. March and which also proved to be a success. This was our only fund raising function this year.

Our last function was an evening for the High Commissioner for India in Australia Mr. K.D. Sharma who was on an official visit to Tasmania. Mr. Sharma was the Society's guest while members and non members enjoyed the dinner and the guest at the Bay Inn tremendously.

On the cultural promotion side of a more serious value, the Society is in a position to now, go and obtain sufficient books for our intended library.

The members were advised of our intention to teach Hindi in Hobart. The response in writing to our questionnaire was not as good but private and verbal indication have been encouraging.

The Council has been working for a number of years to establish a Centre of its own with the help of the Govt. but it seems that we have to go it alone. It would be a hard work but it is quite possible to achieve this provided the members give their more than the usual support in Fund raising.

Last, but not least the Council went more than halfway to improve the relationship with the Fiji Australia Association whose members are also Indian but from Fiji. I feel it is up to the Fiji Association and us to be more reasonable in our approach and criticism of the Society and the Association respectively.

In conclusion I would like to thank all members of the Society for their support in our undertakings in which ever way it was possible for them to come forth and I must say that without the support of our ladies, promotion of the culinary Art may not be possible. It is in this field that the Society is often remembered more than the function itself.

Hon. Secretary.

Last, but not least the Council went more than half way to improve the relationship with the Fiji-Australia Association, whose members are also Indian, but from Fiji. I feel it is up to the Fiji Association ^{and us} to be more reasonable in our approach and criticism of the Society & Association respectively.

In conclusion I would like to thank all members of the Society for their support in our undertakings, in whichever way it was possible for them to come forth and I must say that without the support of our ladies promotion of the culinary Art may not be possible. It is in this field that the Society is often remembered more than the function itself. Yashoda Patel 19/7/81.

MEETINGS HELD AT THE MIGRANT RESOURCE

PRESENT. DR SINDHU (PRESIDENT) MR + MRS M. PATHIK,
MR + MRS A.C. SINGAL, MR IKRAM NAQVI, MISS B. ASHWIN
MR + MRS BIJAY DATTA, MR + MRS M. HARDAKER,
MR + MRS BRIJ DATTA, ~~DR~~ SACHDEV, DR + MRS BHAT
MR + MRS ISLAM NAQVI, MR + MR I. AZIZ, MRS RAPA RAO

APOLOGIES : MR + MRS B.K. MILLER, MR KEN WRIEDT,
MRS SINDHU, DR + MRS J. GEORGE + MISS SACHDEV.

Minutes of the last Annual
General Meeting were read and
accept Singal / Bijay Datta

Matter arising out of the minutes - ^{question} and
MR + MRS PATHIK's membership came up ^{and} but
Mr Naqvi explained the reason behind him
raising the question was to clarify ^{+ rectify} the
technical difficulty that may arise at
a later date.

The discussion went on to admitting new
members at a General meeting and the
President before putting a motion to that
effect whether any one present had
objections to accepting application
for new membership in view of the
selection later that afternoon. Then a
motion "that this General Body may
exercise the power of admitting new
members" Singal / NAQVI. It was carried.

Another motion "That ^{the} lapse membership
must be brought forward for the consideration
of the Council" Singal / Naqvi carried.

The Secretary then read out
his Annual Report. The discussion
on the report was that the report be

circularised.

TREASURER'S REPORT ^(UNSIGNED) was circularised. An error in Receipts of Bal 1979-80 was pointed through the president - where investment should read \$4 329-03 and Video as \$159-40.

Miss Ashlin objected to the rise in subscription and after some discussion a motion was put

that the subscription for single ~~member~~ member should be 50% of the family membership subscription. Ashlin/Sadler motion was defeated.

That the Treasurers report be accepted as corrected Sigal/Hardaker - carried.

The President then gave his farewell talk and outlined the functions and activities we were involved in and emphasised that the main reason for all this was to meet and know one another learn about each others cultural and tradition and keep them revived and left to our children to carry on. We have done this in various ways by video screenings, sport afternoon, dinners having International artists perform here and in fact Miss Valli will be performing in Hobart on Saturday 8th August 1981. He urged that the Indian community will regard this day not only for their family but also bring some of their Australian friends to make that event a success. He also pointed out that Gov't assistance is there if we wish to take up one of the Society's programme i.e. begin INSTRUCTIONS for Hindi we capitalise on this ~~Association~~ assistance. He thanked his committee for all their work and all present for attending and participating in the past.

That membership application
for membership be accepted Mr. Naqvi/Singal.
The motion was carried. ~~Mr. Naqvi~~ was admitted
as a family member. ^{IKRAM NAQVI / BHAT}

Mehendra Pathak
Secretary

Dear Fellow Members,

I wish to present a brief account on what has happened during the past year.

The main function of our Society, as I see it, is to provide an opportunity for us to get together socially and also to ensure that we do keep in touch with our rich culture.

At a social level, towards the end of the previous year, we had acquired a video-cassette machine together with a T.V. screen in order to screen regularly Indian films. The experience during the first year has revealed that only a handful of people are interested in this facility. Because of this very restricted patronage it has become necessary to exchange film cassettes with other groups so as to keep down the cost of this service.

Secondly, we have been able to meet a few times at Rosny College to play badminton and then to join together at afternoon tea. There has been very gratifying involvement in this area and I sincerely hope that this type of participation will continue into the future.

Thirdly, the Society dinner held in December at the Italian Club, and the B-B-Q held in March at the Glenorchy Reserve were both well attended and enjoyed by all concerned. A great deal of work went into this, and I must pay special tribute to Mrs. ^{Meera} ~~Mura~~ George who had to work very hard to make these a success.

On the cultural side there has been no major event this year. The Council tried its utmost to organise a suitable function. We have at last been able to invite an artist of international repute to give us a performance on Saturday, 8th August. I sincerely hope that the Indian community will regard this as their day not only for their family but also bring their Australian friends, and make this event a success.

2.

There is one other matter I should touch on. We have, with Government assistance, the opportunity to begin instruction in Hindhi. If you are willing, this assistance could be capitalised but the letters sent out to the members seeking information on this matter, produced hardly any positive response.

Finally, I wish to thank the committee for all their work, and you for your attendance today, and your participation in the past.

L. J. SINDHU

The President brought to the Council's notice that he had heard through some members of the Council and some outside people that certain members of the Society had asked for free tickets to dance performance in return for certain favours. The Secretary told the Council that it was obvious it was being referred to him as he had received free tickets to this function. He assured the Council that at no time he entered into such negotiations. It was not his nature to ask any person of any favours of such nature. The President then said that "it was not ~~the~~ you but your Mrs. The Secretary pointed out that Mrs Pathik was approached by Mrs Dickson

for advertising on her radio programme and if any negotiator that took place there ^{he} was not ~~there~~ of that. He also ~~stated that~~ Secretary that if anyone rings ^{him} at home, what other member of the family should do. The Secretary has a silent number and he does not give his home number to anyone ~~but~~ only the business number.

The President felt the Secretary should be relieved of the duties of Newsletter because of pressing nature of his other work. He also suggested that few newsletters were mixed up.

The Secretary opposed this most emphatically and assured the Council that it was no burden to carry. The Secretary moved on a motion to be put.

Mr Aziz moved seconded by Mr Singh that Maurice should take over the Newsletter. Only opposition to the motion was from M. Pathik. This motion was carried without discussion.

BBA - The council appointed Mr Datta coordinator to be assisted by Islam Nagvi and A. Singal.

Mr. Singal undertook to organize the selling of the dunks at \$0.9 each.

Mr. Singal pointed out the need of spending money allocated for costumes in the Minister for Ethnic Affairs' grant to the Society.

and they will not be printed. But two books of numbered ticket book should be sufficient.

It was reported the R.V. Fearnley ^{had} paid his subscription.

The President also tabled a letter he received from Mrs. Pathik's solicitors about the slanderous and defamatory remarks he made at the last Council meeting.

The Secretary explained why this was disclosed to Mrs. Pathik.

The President said, that he said what he said because it was brought to his notice but denied naming Mrs. Pathik. Mr. Aziz recalled that she was referred. Mr. Khan Nagvi suggested that Mrs. Pathik was standing on a shaky ground if all present deny such reference but he had overlooked the fact that it is also an offence. Since this was not a Council meeting it was not possible to take resolution but Mr. Sigal undertook to speak to Mrs. Pathik to have the matter quashed.

Council Meetings

The Council met on fourteen occasions this year to attend to the various activities of the Society and its administration.

Membership of the Society

There was a decrease in our membership mainly due to the interstate transfers of some of our members. We finished up with 61 members in all.

Activities

Your Council had a very busy year as would be suggested by the number of Council Meetings aforesaid.

The first function for the year was the Indian Classical Dance performance by the World renown and greatest exponents of Bharat Natyam, Miss Alarmel Valli at the T.C.A.E. auditorium on Saturday 8th August, 1981. This performance was very well presented amidst a very large and receptive audience. After the performance Miss Valli met the members of the Council and the members of the organising committee at supper.

The Society has been screening video movies regularly on the last Sunday of each month with patronage ranging from two adults to as much as sixteen. The Society has some of the latest and popular movies in its possession. Your

Your council has decided to lend some of these movies to the members at a small fee.

There have not been as many sports afternoons as in the past as the response was not encouraging.

The Society met for it's Annual Social Evening at the Italian Club on 5th December, 1981 and as in the past the members provided the sumptuous Anglo-Indian Dinner. It was pleasing to see the typical family participation that we are all so accustomed to.

Your Society organised the Republic Day Barbeque at Tolosa Park on 24th January this year but due to the adverse weather condition - Total Fire Ban - the efforts of the enthusiastic organising committee and the spirit of the participants were somewhat dampened. Inspite of this setback we all enjoyed the get together.

Your Society also took part in the biggest ever Christmas Pageant that went through the streets of Hobart.

The former minister for Immigration and Ethnic Affairs, Mr. Brian Miller MLC, acknowledged the Republic Day of India by hosting a cocktail to mark the occasion at Parliament House, Hobart and to which many of our members were also invited.

The Society and the Tasmanian public was fortunate enough to witness India's greatest Veena player, Shri Chitti Babu and two of his accompanists in concert at the Rosny College on Saturday 22nd May 1982.

The Consul General of India Mr. Indiajit Singh made a curtesy contact with the Society on his official visit to Tasmania and met some of our Council members.

The Society also took part in the Ethnic Fashion Parade organised by the Migrant Resource Centre at the Centre Point and also at the Eastlands Shopping Centre. This presentation was absolutely colourful and a delight to watch.

On the cultural promotion side of a more serious nature the Society has now obtained books for it's library and are available for borrowing. More books are on order and should arrive in the very near future.

The Minister of Education in Fiji has made some Hindi Teaching material available to the Society and it is hoped that the new Council will commence the classes at it's earliest possible convenience.

Not much has been done by the Society towards acquiring a centre as the Migrant Resource Centre catered for our most immediate needs. The Mialanga Board of Management has now been officially disbanded and the Migrant Resource Centre is facing a "shut down" due to lack of funds, the Society should still be looking towards a centre of it's own.

In passing I would like to say that the empathy by members towards the functioning of a society such as ours makes the path ahead of us appear very narrow but curtailing the functions of the enthusiastic secretary & members make the path look not only narrow but over grown and impassable.

On conclusion the outgoing Council acknowledges the assistance given to it by the members of the Society to make this year yet another success.

Hahendra Pathik

Honorary Secretary, 25.7.'82.
