NEWSLETTER NO. 54

September, 1987

Dear Member,

As this is the last newsletter from your '86/'87 'All Ladies Council' we would like to take this opportunity to say THANKYOU for your support, through your enthusiastic attendance at our functions.

We have had a busy year, and our activities have been social (lunches and dinners), cultural (performances and workshops by Tara Rajkumar) and informational (through our newsletters and distribution of newspapers, journals and news releases at the Migrant Resource Centre), and we have welcomed many new members.

ENGAGEMENT

The Indian Cultural Society wishes to express congratulations to Mr Saleh and Mrs Safia Parkar, and Mr Hamza and Mrs Sharifa Parkar, on the forthcoming engagement of Nafeesa and Noor.

NEW MEMBER

We welcome Ms Sushila Desai from Devonport.

FORTHCOMING ACTIVITY

Sunday 27th September is the International Folk and Craft EXPO of the Salamanca Arts Festival. The Indian Cultural Society is holding a stall of Indian artefacts and pre - packaged foods at this EXPO. (The artefacts are exhibits only, but the foods are to sell)! We need more exhibits and we need more foods.

If you would like to 'lend' an Indian artefact to be exhibited, or could prepare an Indian foodstuff, and/or could help on the day, please contact Mrs Ruhi Pasha on 673686.

MIGRANT RESOURCE CENTRE

The MRC is currently conducting research into the needs of all elderly migrants. They need names, addresses and telephone numbers of all migrants over 65. If you have relatives or friends over that age (especially those within the Indian community) please contact the MRC on 349411.

There is commitment by the Government to act on the findings of this research, and to improve access to and relevance of services of elderly migrants.
